Q11

No

I intend to use trade names during my presentation. Note: Only generic names should be used whenever possible. If trade names are used, they should be accompanied by the generic name.

Q12

No

I intend to make therapeutic recommendations for medications that have not received regulatory approval (i.e. "off-label" use of medication). Note: You must declare all off-label use to the audience during your presentation.

Q13**N/A**

If you answered "Yes" to the previous question, are the medications recommended manufactured by companies you have received funding from?

Q14**Yes**

I acknowledge that the National Standard requires that any description of therapeutic options utilize generic names (or both generic and trade names) and not reflect exclusivity and branding.
