All other investments or relationships that could be seen by a reasonable, well-informed participant as having the potential to influence the content of the educational activity

Page 3: Part 2: To be completed by presenters only

Q11 No

I intend to use trade names during my presentation. Note: Only generic names should be used whenever possible. If trade names are used, they should be accompanied by the generic name.

Q12 No

I intend to make therapeutic recommendations for medications that have not received regulatory approval (i.e. "off-label" use of medication). Note: You must declare all off-label use to the audience during your presentation.

Q13 N/A

If you answered "Yes" to the previous question, are the medications recommended manufactured by companies you have received funding from?

Q14 Yes

I acknowledge that the National Standard requires that any description of therapeutic options utilize generic names (or both generic and trade names) and not reflect exclusivity and branding.
